

JOIN OUR TEAM!

The Teen Trillionaire is a fiscally-sponsored 501(c)(3) that supports youth financial education through mentorship, community-building, and activism.

Financial Coaching

With our team becoming Certified Financial Education Instructors (CFEIs), our free financial coaching services, help students build action plans to achieve their financial goals.

IMPACT

After running for over a year, we have reached 20,000+ students in 25+ countries. We have pitched to the Illinois State Board of Education and Oswego City Council. We have partnered with a variety of organizations including an investing app and offered \$100s in scholarships.

Resources

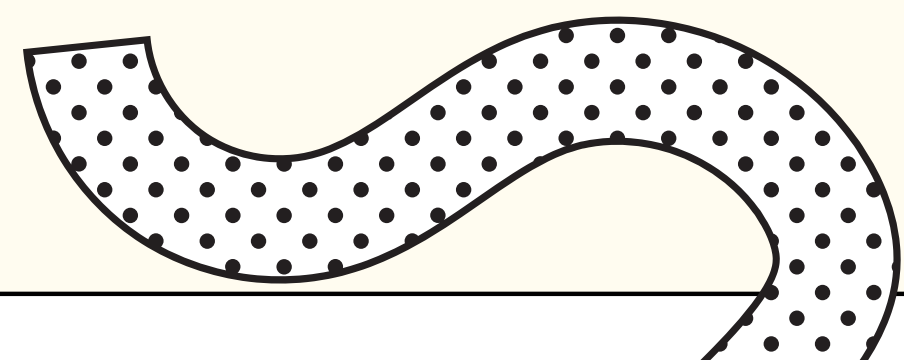

Our digital library offers 200+ podcasts, articles, and videos created by our amazing team of content creators. They cover all aspects of personal finance!

Events

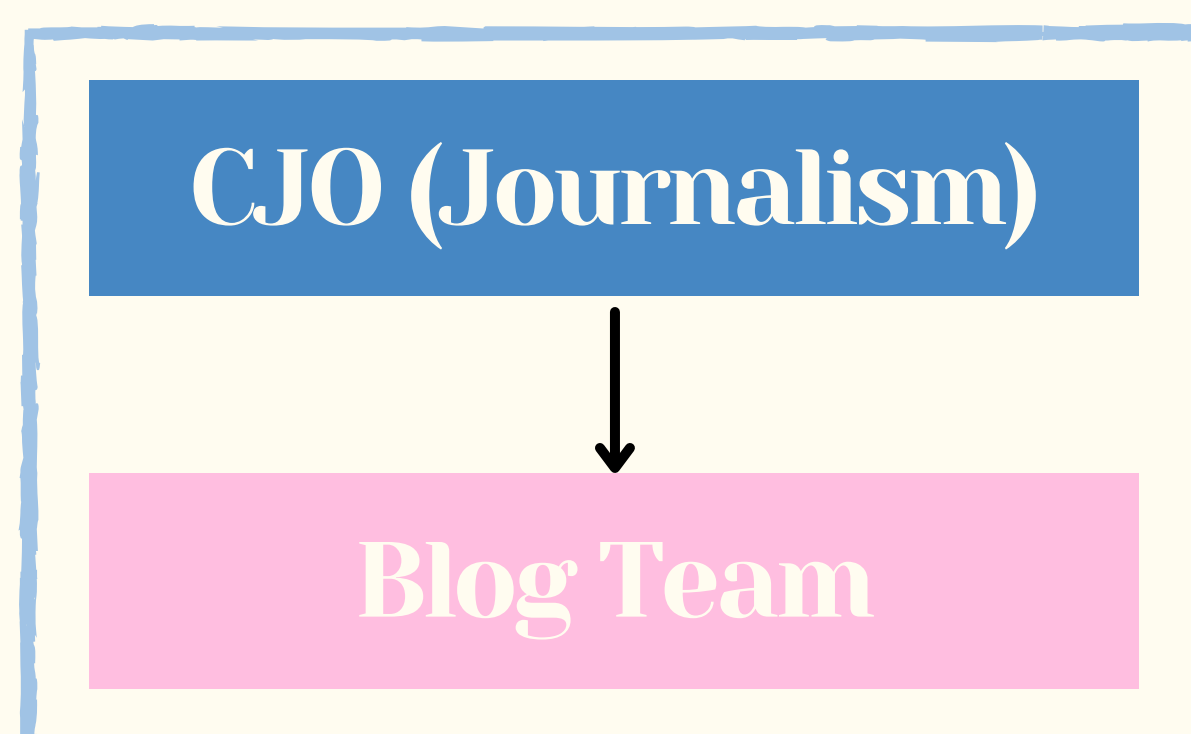

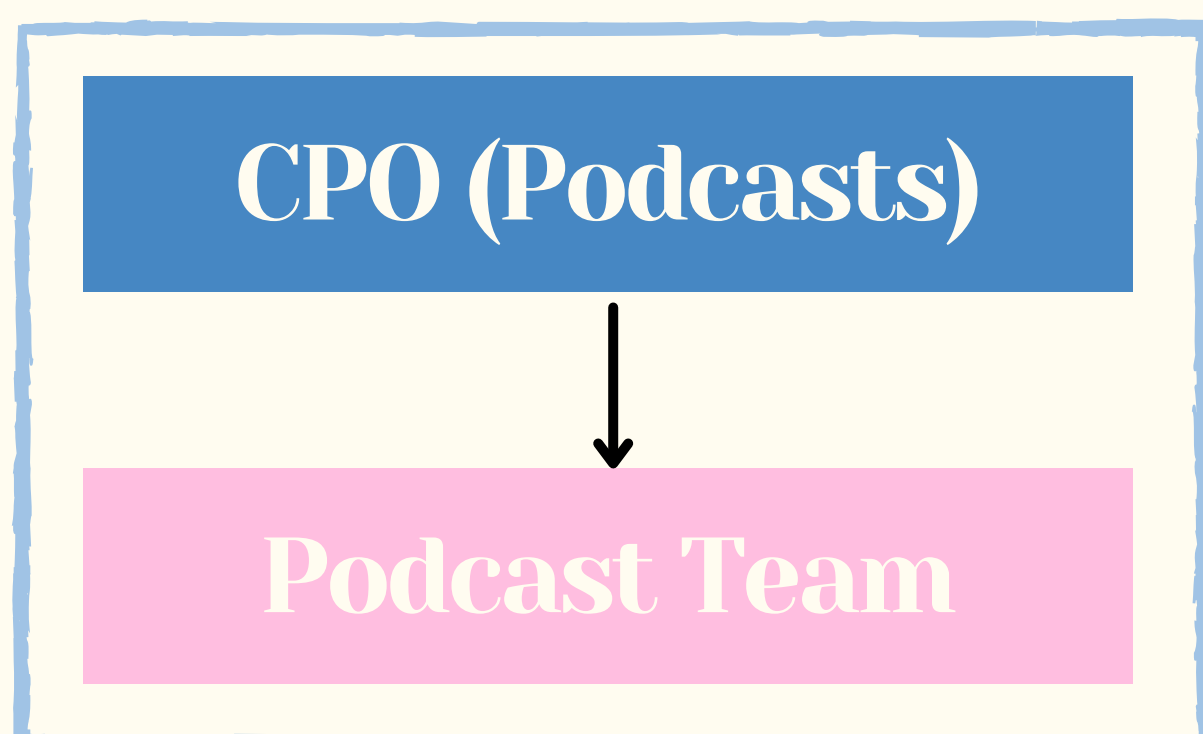

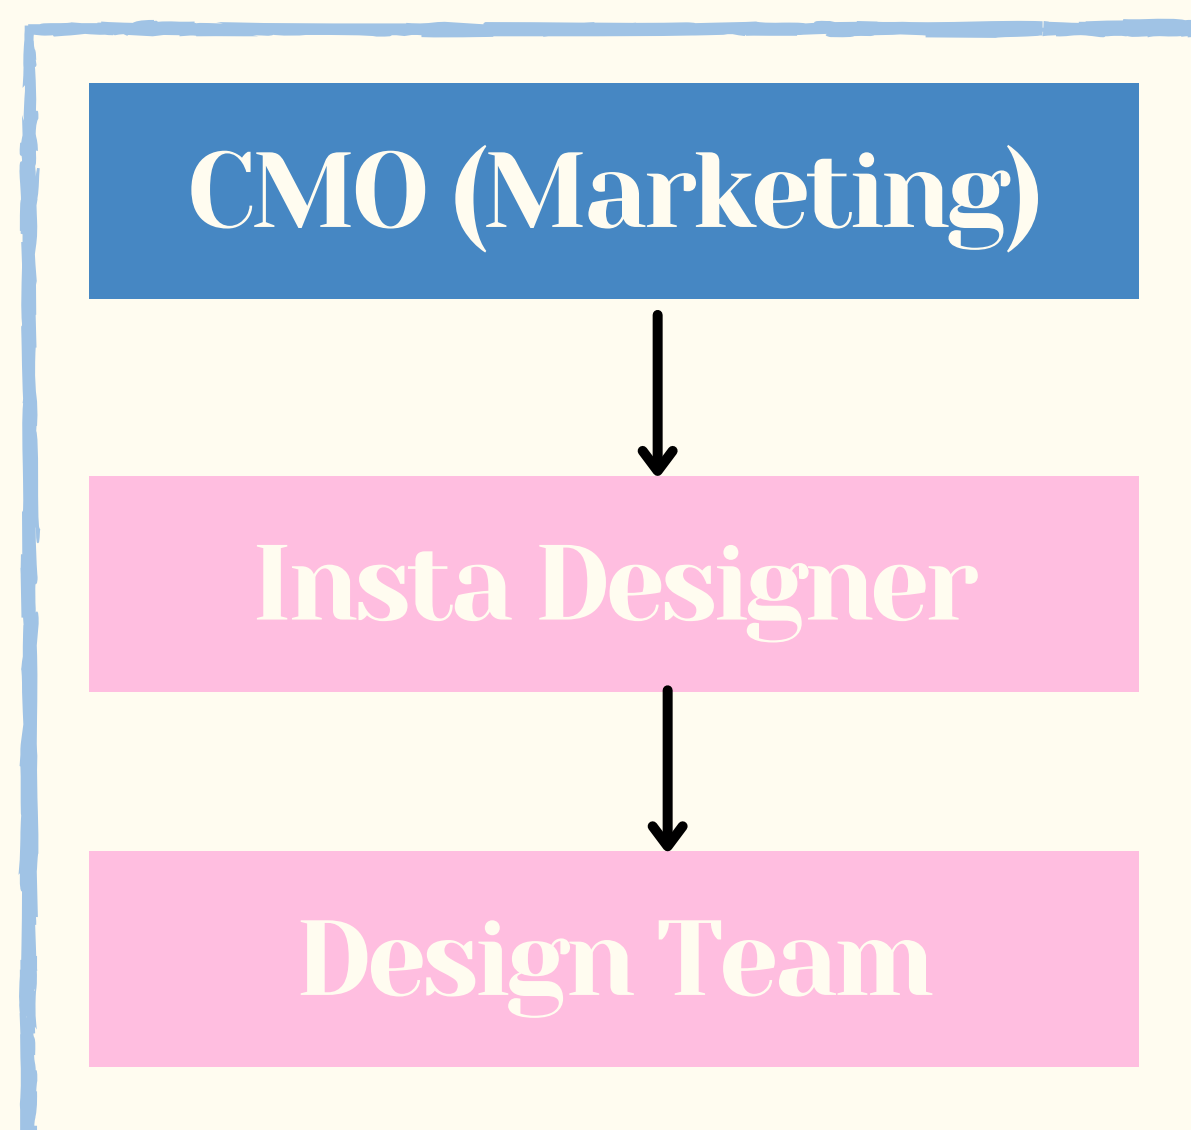

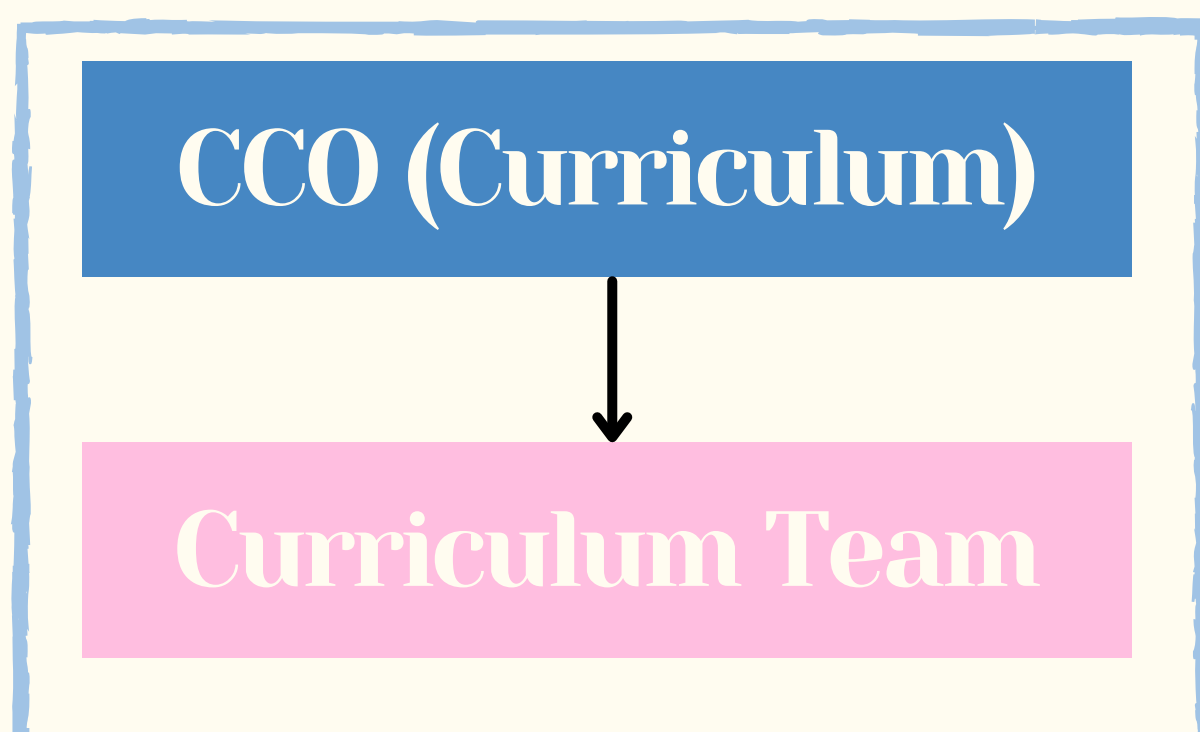

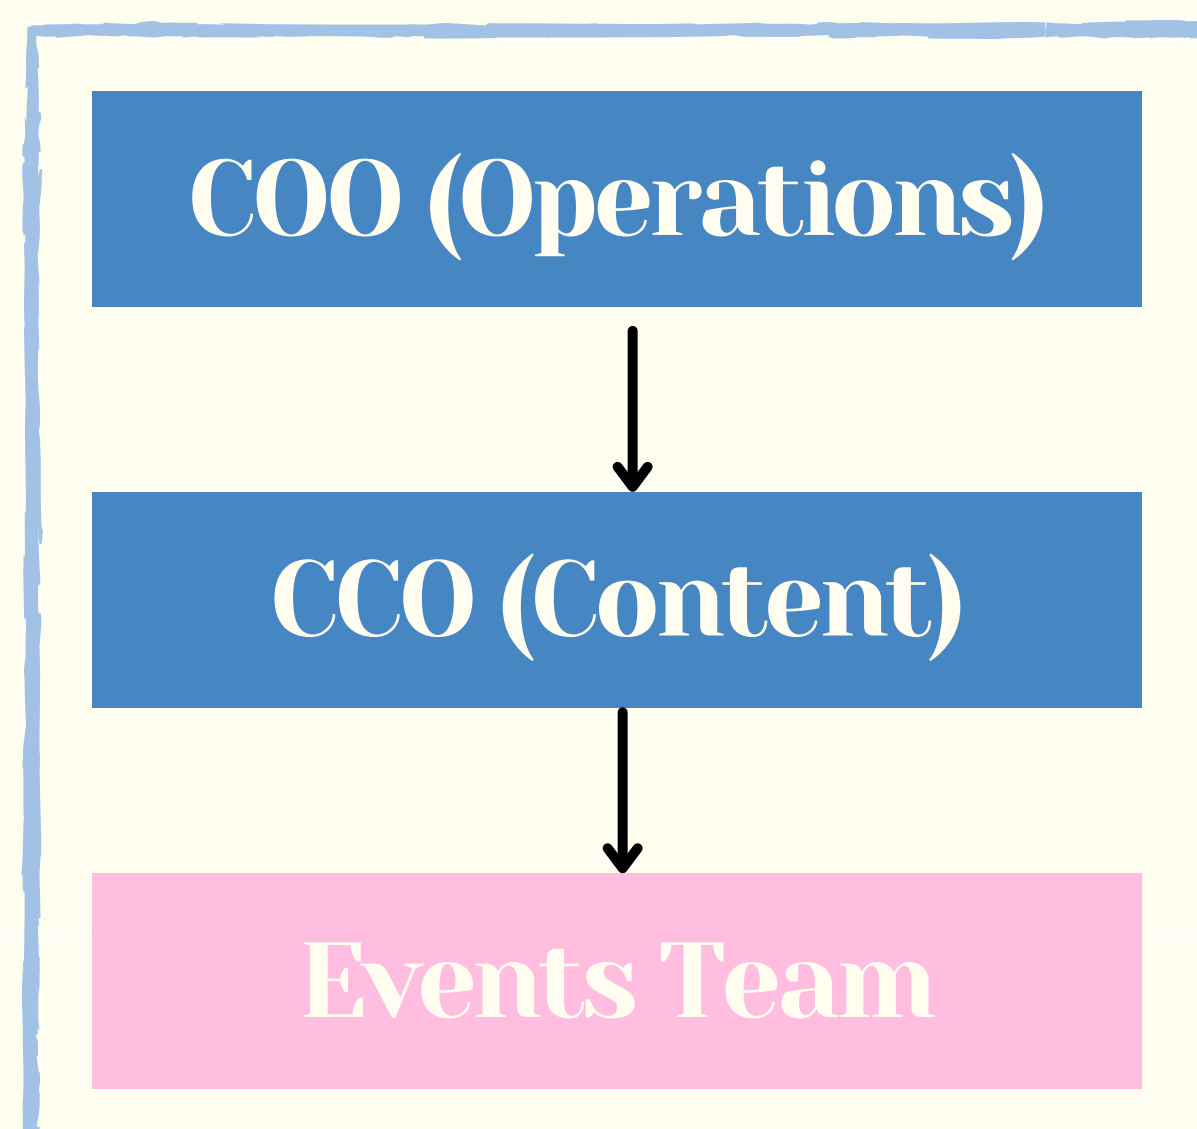

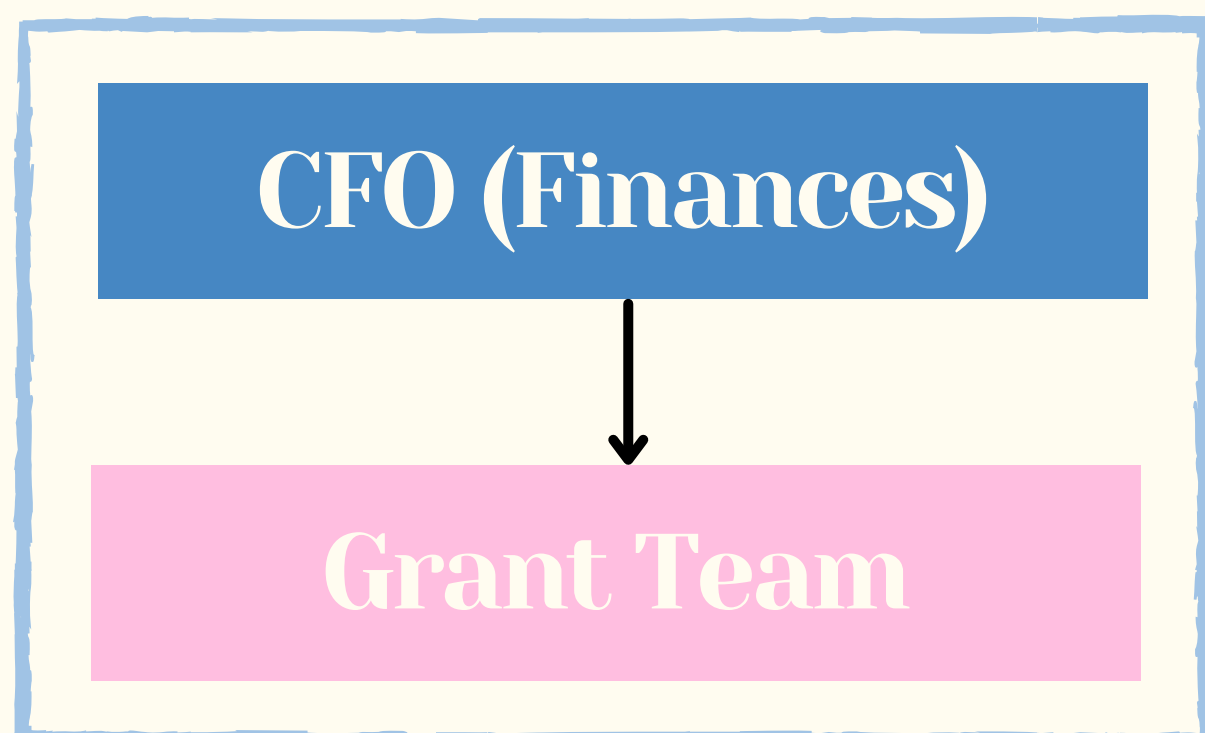

We have hosted 10+ workshops with interactive content based on our own curriculum. We have also been invited to present at Bishop Loughlin HS and Longwood Prep Academy in NYC, as well as West Valley Library in San Jose.

BENEFITS OF JOINING US!

Your work with us will count for volunteer hours and the Presidential Volunteer Service Award. You will be able to connect with a diverse group of teens and industry professionals. LORs can also be recommended.

TEAM STRUCTURE

OPEN POSITIONS

CHIEF FINANCIAL OFFICER

In this role, you will be responsible for the following:

- Leading and managing our grant team
- Coordinating and running 1-2 meetings per week outside of our weekly team meetings
- Applying and securing grants for the organization

**** Applicants with experience in grants preferred****

GRANT TEAM MEMBER

In this role, you will be responsible for the following:

- Attending 1-2 weekly meetings
- Collaborating with the grant team to identify, apply, and secure grants
- Applications will involve thorough knowledge of the organization

EVENT TEAM MEMBER

In this role, you will be responsible for the following:

- Attending 1-2 weekly meetings
- Collaborating with the team to plan, create content for, and execute events such as weekly workshops and guest speakers
- Work can range from researching topics to creating presentations or networking with professionals

CURRICULUM TEAM MEMBER

In this role, you will be responsible for the following:

- Attending 1-2 weekly meetings
- Collaborating with the team to create online course modules on topics of your choosing
- These courses might range from retirement to cryptocurrency and offer our audience an in-depth look
- Research and content creation will ultimately produce slideshow videos, document guides, and quizzes for each course
- Will be published with your name

OPEN POSITIONS

PODCAST CREATOR

In this role, you will be responsible for the following:

- Brainstorming and creating 2 podcasts per week on a topic of your choosing
- Podcast writing will involve creating scripts and getting ideas approved by the team head
- Work will be published under your name

CHIEF TECHNOLOGY OFFICER

In this role, you will be responsible for the following:

- Working on a self-directed project (redesigning our website or making us an app)
- Will require experience in the field
- Leading our website management and analytics

BLOG TEAM MEMBER

In this role, you will be responsible for the following:

- Brainstorming and creating 1-2 articles per week on a topic of your choosing
- Will involve getting ideas approved by the team head
- Work will be published under your name

RECRUITING MANAGER

In this role, you will be responsible for the following:

- Managing our onboarding process through emails, interviews, and communication via Slack
- Reviewing applicants, contacting them for follow-ups, and ensuring they are fit for their position and our team
- Communication, organization, and having a flexible/open schedule are helpful skills

****Can be promoted to Chief Human Resource Officer in 1-2 months****
